*#Sage #SalesForce #DocumentMgt #ProCore #BIM #ITJobs*

## **MAKE US MOBILE – MAKE US INTEGRATED**

Collaborate between Field and Office teams via Smartphone & Tablets using most current apps and technology available. Mericle is the most accomplished developer of commercial real estate on PA's I-81 corridor. We expect the next 30 years to rival the current portfolio and want to add strategic players to be a part of that process!

### **■ IT PROJECT MANAGER (MULTIPLE POSITIONS)**

Have you worked for a Document Management Company? Led Prior Conversions? Implemented CRMs? We need you to analyze and improve business processes to mainstream operations using templates and SOPs.

### **■ CAD MANAGER/TECHNICAL SPECIALIST**

Have you worked in an Architectural or Engineering firm's IT dept? We need you to provide guidance within the CAD library and standardize CAD usage.

### **■ CONSTRUCTION PROJECT MANAGER**

Have you worked with ProCore or similar technology? We need you to manage every aspect of project from bidding to close-out with PM software.

Candidates must possess a Bachelor's degree or equivalent experience, knowledge of best practices, coupled with strong technology skills, ability to work in a fast-paced environment and consistently strive for excellence.
